PUBLIC CARRIAGE FARES IN BOSTON

Motor Taxicabs—Rates of Fare

Every licensed hackney carriage operating as a taxicab shall contain a card showing the rates of fare that the particular cab is operated under and approved by the Police Commissioner and recorded in the office of the Bureau of Traffic. This card shall be displayed on the interior of the vehicle in clear view of the passenger and so placed or secured in the frame in which it is enclosed that it may not be easily molested or destroyed. Said rates shall be within the maximum and minimum rates established by the Police Commissioner, which are:

Maximum rate—45 cents first mile; 30 cents each mile thereafter.

Minimum rate—25 cents first drop of flag; 25 cents first 2/5 of mile and 5 cents each additional 1/5; 25 cents first 2/6 of mile and 5 cents each additional 1/6; 25 cents first 1/3 of mile and 10 cents each additional 1/3

Waiting time shall include all time during which the vehicle is not in motion, beginning nine minutes after its arrival at the place to which it has been called, or, if engaged in the street or at a stand, beginning nine minutes after the time of such engagement. A charge of 10 cents for each three minutes may be made. But no charge shall be made for time lost through interruption of street traffic or through the inefficiency of the vehicle or its driver, or for time between premature arrival in response to a call and the hour for which the vehicle was ordered.

Baggage—Hand baggage may be carried by passengers without charge. The carriage of trunks shall be optional with the person in charge of the vehicle, but if carried the charge shall be 25 cents for each trunk.

Ferry tolls will be paid by passengers.

By the Hour—When a motor taxicab is hired by the hour for a trip wholly or in part outside the limits of the City of Boston, the person in charge may suspend, with the consent of the passenger, the use of the taximeter as a means of determining the price to be paid, and the motor taxicab shall come temporarily under the provisions of that part of this rule which relate to charges for automobiles.

Public Automobiles—The authorized fare for automobiles other than motor taxicabs shall be not more than $4 an hour, when hired by the hour, not more than 40 cents per mile when hired on a mileage basis. This rule shall apply to automobiles hired at a garage as well as to those hired in the public streets. The rule as to baggage for motor taxicabs shall apply also to automobiles.

(Note. For automobiles hired or to be hired by the hour or to undertake trips in whole or in part outside the limits of the City of Boston, the price shall be agreed upon between the person in charge of the automobile and the passenger or passengers, and that as a matter of fairness the person in charge shall so inform the person or persons proposing to hire before undertaking the trip. Although the Police Commissioner has no authority to establish rates for the trips extending beyond the limits of the City of Boson, proof of what shall appear to him to be an extortionate charge for service outside such limits will be regarded as reasonable ground for believing that the owner or driver so charging is not a suitable person to be licensed).
